

**Mr. Peter Bains**

Director, Syngene International Limited

Peter Bains, the Director of Syngene International Limited, has more than two decades of experience in the global pharmaceutical space. With strategic and operational leadership expertise across geographies, functions and business segments, he brings a global perspective with a forte in Emerging Markets, in particular China and India.

Prior to coming on the Board of Syngene in 2010, Peter had a 23-year career at GlaxoSmithKline in which he was, among his other roles, Head of Global Marketing and Senior VP of Commercial Development for GSK's International Region. During the period, he helped establish several GSK brands as brand leaders and conceived, developed and implemented an organizational redesign in GSK's International Region. Peter led the pharmaceuticals and vaccines operational strategy, planning and execution in Latin America, Middle East, South-East Asia and Australasia, China, and Canada. He was also a Member of various GSK teams with strategic, operations, marketing, and business development responsibilities and a Member of the Board of Directors of GSK India.

From 2009, he has been a consultant specialising in supporting strategic growth opportunities in small- and medium-sized innovation-based life science companies.

Peter completed his BSc Combined Honours in Physiology / Zoology from Sheffield University. During his spare time, he enjoys spending time with his family and is a keen, if not more, an occasional sports enthusiast.
