### **USFDA okays Biocon Telangana plant**

New Delhi, December 17

Biotechnology major Biocon said on Monday the USFDA has completed the inspection of its Telangana manufacturing facility without making any observations. "The USFDA conducted a good manufacturing practice (GMP) inspection of our active pharmaceutical ingredients (APIs) manufacturing facility in Telangana from December 12-14, 2018," Biocon said in a regulatory filing. "The inspection was concluded without any observations and no Form 483 was issued." PTI
