INTRODUCTION

Biocon (including subsidiaries and associates, excluding Syngene and Biocon Biologics Limited, hereinafter referred to as “the Company”) is Asia's premier biopharmaceutical company that is driven by the vision to make a difference in global healthcare through improved access to high quality and life-saving bio therapeutics by making them affordable for patients across the world.

The Company’s contributions and initiatives towards social welfare and environment sustainability have been integral to its business. The Company shall continue to pursue Corporate Social Responsibility activities (hereinafter referred to as “CSR”) as one of its fundamental priorities.

CSR activities of the Company shall continuously evolve for a long-term sustainability of business, society and environment at large. CSR shall further align and integrate social wellbeing, economic growth and environmental sustainability with the Company’s core values, operations and growth.

In the process of executing CSR, the CSR Committee (hereinafter referred to as “the Committee”) of the Company shall comply with the statutory requirements of the Companies Act 2013, and the related rules and regulations as may be amended from time to time (hereinafter referred to as “the Act”) under the guidance of this policy.

APPROACH AND DIRECTION OF CSR

This policy is formulated to meet the CSR objectives set by the Company as well as the applicable statutory requirements notified by the Ministry of Corporate Affairs through the Act. This policy shall apply to all CSR activities / projects / programs undertaken by the Company.

This CSR Policy encompasses the philosophy for social responsibilities and lays down the guidelines, mechanism and an action plan for undertaking projects, programs and activities beyond business which include initiatives and endeavours for the benefit and development of the community and society. CSR is the way the company integrates economic, environmental and social objectives while, at the same time, addressing stakeholder expectations and sustaining or enhancing shareholder value. This policy also aims to establish boundaries for acceptable behaviour and guidelines for best practices in CSR.

VISION, PHILOSOPHY & STRATEGY

Vision: To strive towards developing and sustaining healthy and empowered communities by promoting social & economic inclusion and improving overall quality of life.

Philosophy: The Company shall acknowledge its responsibility towards the environment, its consumers, employees and other stakeholders. CSR shall be a commitment and part of business behaviour at the Company. The Company shall make concerted efforts to protect and improve the welfare of the society as it demonstrates sustainable practices.

Strategy: The CSR strategy shall create long-term and scalable values for communities and society. The Company shall adopt the following strategies in the CSR process:

- Embed CSR into the business
- Develop action plans
- Mobilise resources and expertise for the initiatives
- Build capacities for CSR at all levels
- Involve employees to volunteer for CSR activities
- Engage stakeholders on a regular basis
- Build partnerships for scale
- Make strategic grants to support worthwhile projects/programs
- Be transparent, consistent and fair in communication
- Carry out periodic reviews and reporting
- Continuous compliance with statutory requirements

GUIDING PRINCIPLES

The CSR committee may constitute and adhere to the following guiding principles as given below, in connection with the CSR activities/ projects of the Company:

- **Selection of CSR activities/ project:**
Areas for CSR engagement shall be carefully chosen based on relevancy with regards to the national and local context. Focus on social welfare and environment sustainability will be integral to the selection of CSR activities. CSR domains chosen shall be in convergence with the broader goals of sustainable development.
- **Implementation of CSR activities/ projects:**
CSR programs shall be implemented in an inclusive and equitable manner, focused on data-driven, scalable and sustainable practices. A holistic framework of engagement with community and relevant stakeholders shall ensure transparency, consistency & commitment towards the programs.
- **Monitoring of activities:**
The emphasis shall be on a systematic, objective and iterative framework for review of activities. Periodic reviews of CSR activities shall help inform progress towards objectives, appropriate resource allocation, continued relevance and course correction where required.
- **Formulation of the annual action plan:***
The annual action plan shall be created with a definite mechanism by CSR functionaries and document the stated objectives of the CSR programs. It shall clarify the content of relevant interventions as per agreed timelines and budgetary allocations. Based on project timelines, the annual action plan shall undergo periodic review for scope, relevance and timelines of envisaged

outcomes.

**Note: Annual Action Plan shall assume the meaning as substantiated under the Companies Act, 2013.*
