Dear Sir/Madam,

Sub: Biocon Biologics Facilities in Bengaluru Receive EU GMP Certification

Ref: Regulation 30 of SEBI Listing Obligations and Disclosure Requirements (LODR) Regulations, 2015

Pursuant to Regulation 30 of the SEBI LODR Regulations, 2015, please find below the "Company Statement" on the subject matter.

"Biocon has received the Certificate of GMP compliance from EMA for its Biologics Drug Product (DP) as well as Drug Substance (DS) facilities at Biocon Park, Bengaluru. These facilities, used for the manufacture of Biocon's portfolio of biosimilars, were inspected by the European agency in March 2019. This was a surveillance inspection of our existing DP and DS facilities and a pre-approval inspection of our additional DP manufacturing line. This certification will enable us to continue addressing the growing needs of patients in the EU markets and enhance access to our high quality biosimilars. We remain committed to global standards of quality and compliance." -Company Spokesperson

We request you to kindly take this to your records as per the requirement of LODR and oblige.

Thanking You,
Yours faithfully
For Biocon Limited
